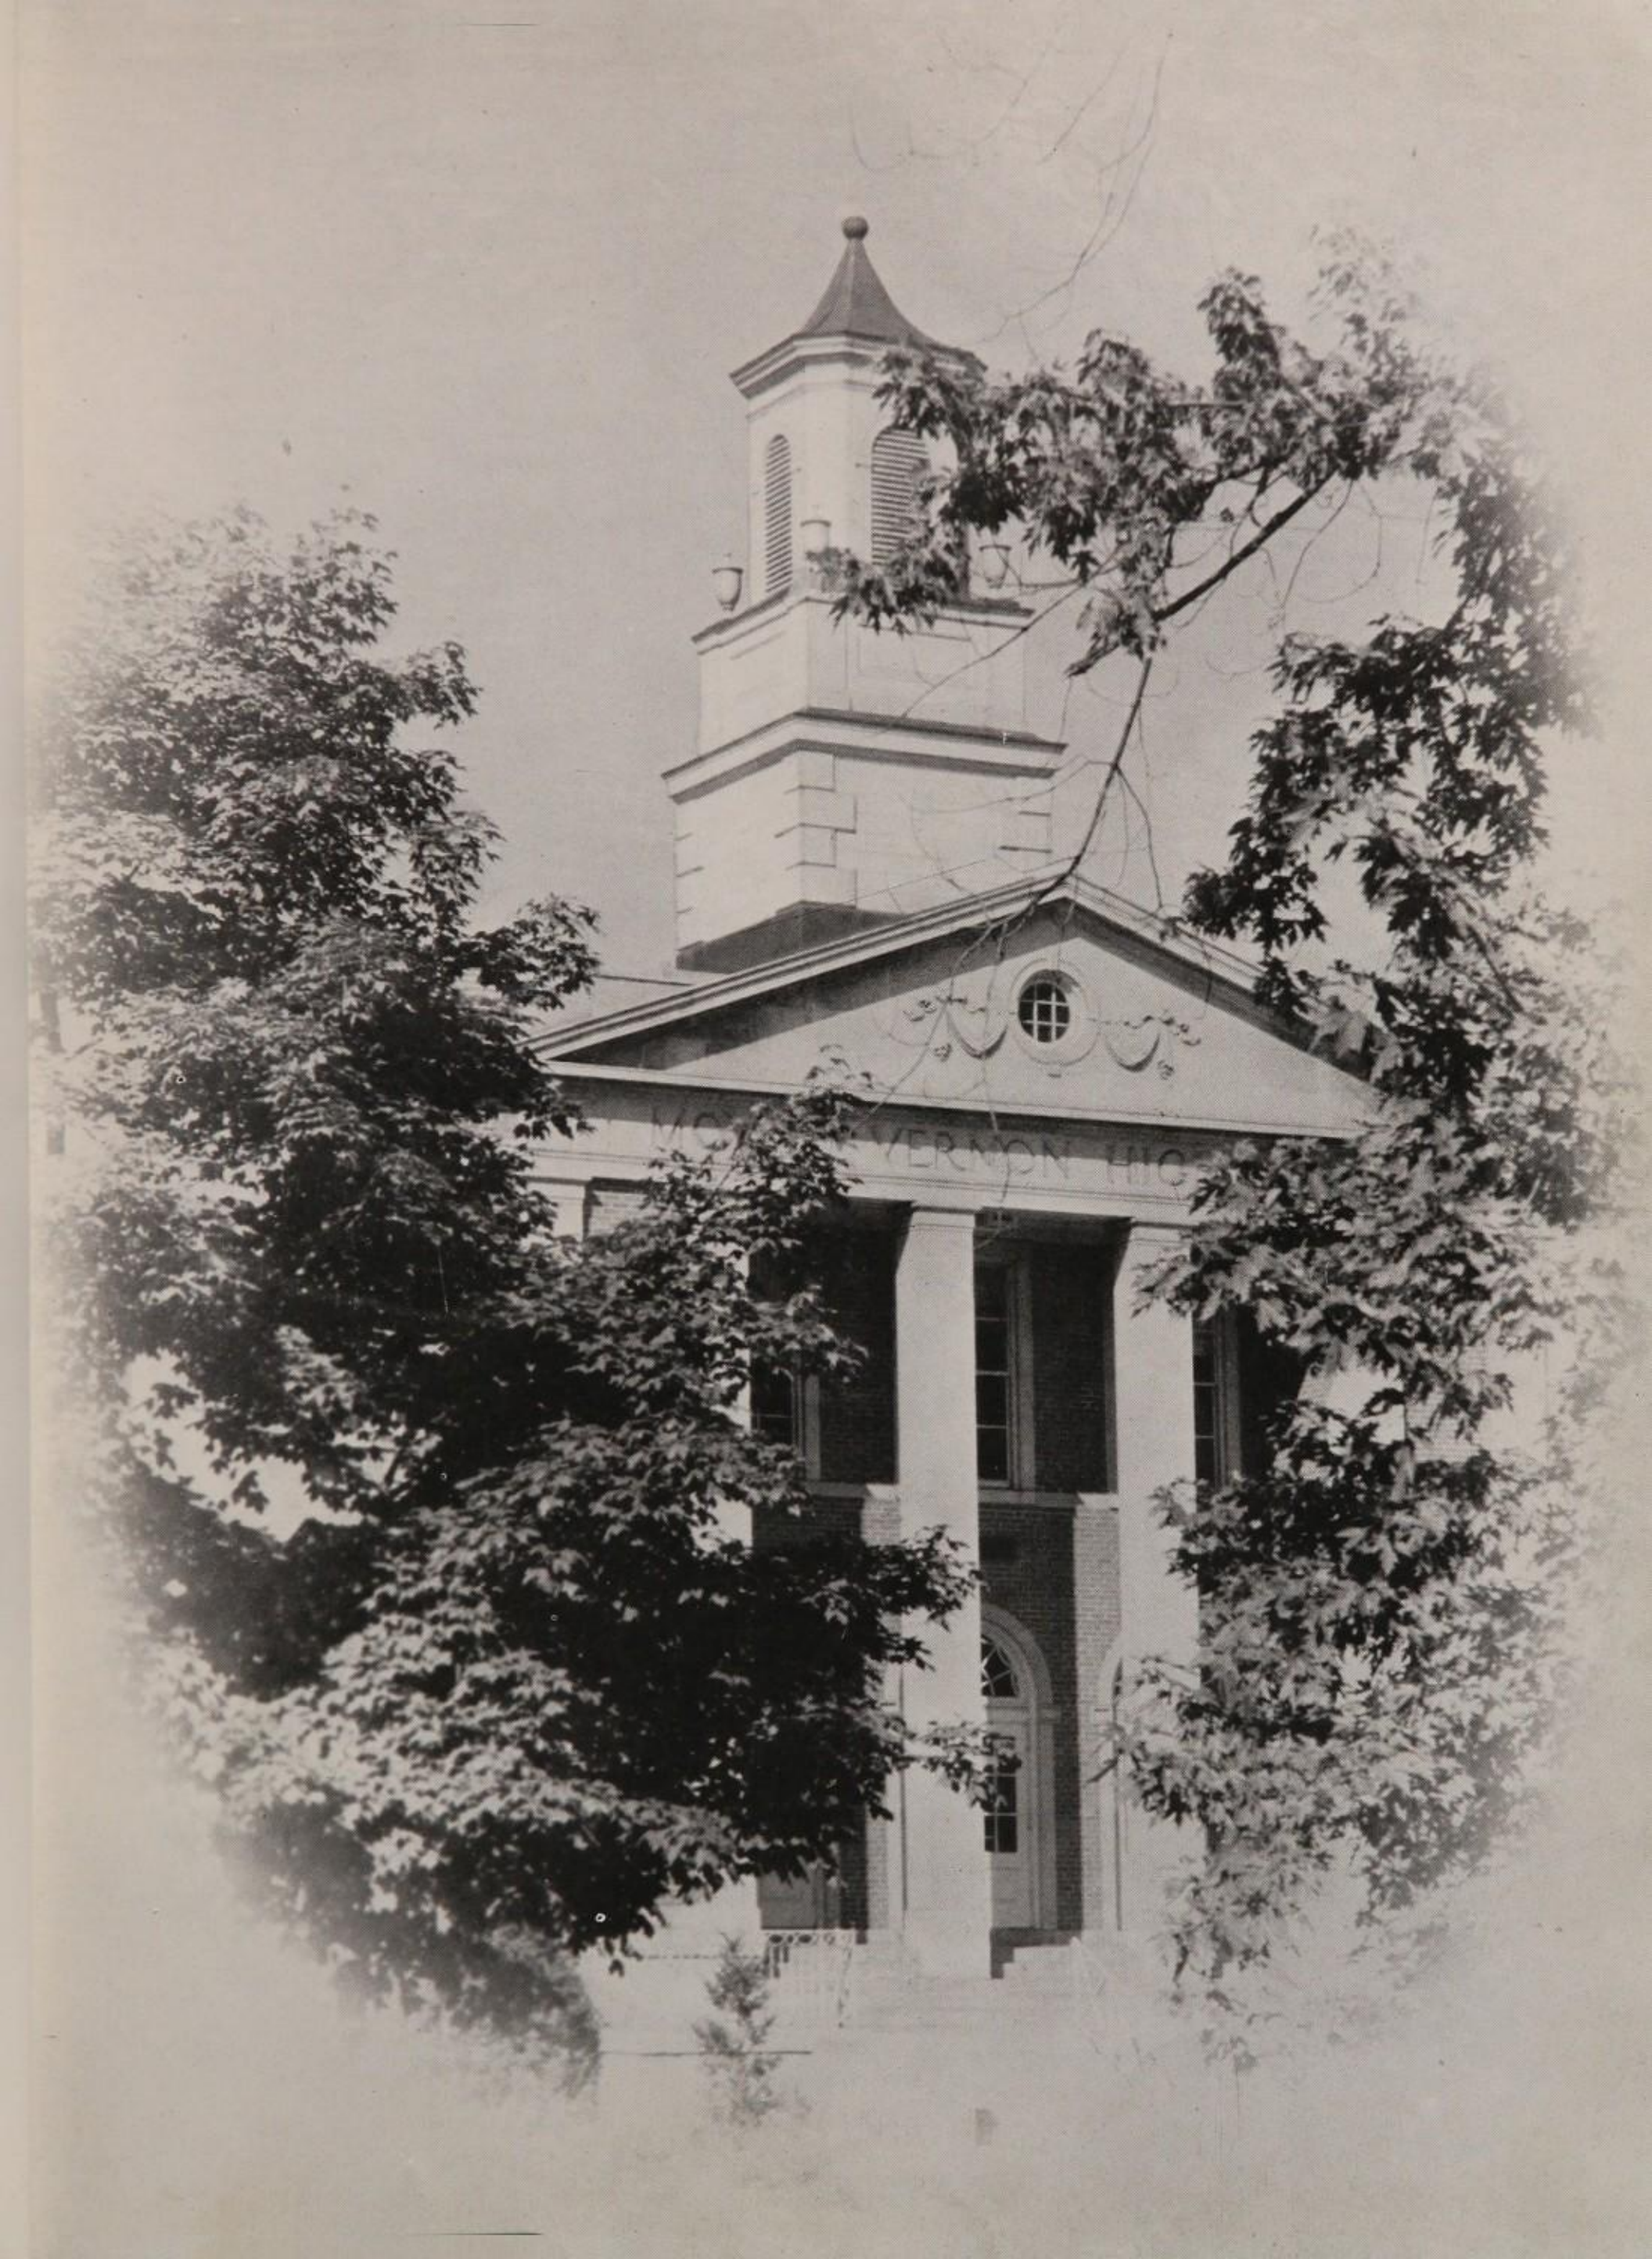
Foreword

Stand by -- We Are on the Air!

This is station M. T. V. operating on a wave length of 1056 kilocycles. We bring to you today a brief broadcast of the happenings from September 7, 1943 to June 1, 1944. We have a very large staff working at M. T. V., but approximately 60 students have dropped by the wayside—to the armed forces and to defense jobs. We will lose many others before this station signs off for the year. Now it is time for our big broadcast. There is the signal so — On With the Show!



Dedication

Gene Taylor

This year's *Forum* is dedicated to Mr. Gene Taylor. Mr. Taylor has been director of the band and orchestra for nine years, and for the past year and a half has been the director of the Chapel Choir, the Glee Clubs, Treble Clef, and other small vocal and instrumental groups. There were band and choir concerts and during November, the combined musical department, under Mr. Taylor's guidance, gave a hit Variety show, "Harvest Harmonies." We congratulate Mr. Taylor on his fine work and co-operation and hope he will stay at Mount Vernon for many years to come.

Morning Programs

From 8:50 to 11:50

At the risk of losing our lives, we bring to you a brief account of station M. T. V. from approximately 8:50 to 11:50. The halls are crowded with employees, eager (?) for the morning's work. There is a last minute scramble and then the bells ring; the halls are empty except for a few guards who keep order around the station and guide visitors through the various studios. From 9:31 - 9:36; 10:15 - 10:20; 11:05 - 11:10 — the station is again in an uproar but then the silence falls and the only noises are sounds of a few slamming of doors or the whistle of an employee as he goes down to see the "Chief." When the clock shows 11:40, the employees gather up their materials and wait patiently for the bell. The time is now 11:50. The bell rings, and like a shot out of a cannon the halls are filled with people making a mad rush for the studio cafeteria or for their respective homes. The station is empty save for a few persons who are working overtime. Seeing that the coast is clear, we crawl from our hiding place in the broom closet and wend our weary way home.

History of Class 1944

As usual, during our Freshman year we suffered tortures and humiliations from the upperclassmen. We had our trials and tribulations but we surely had fun.

We organized during our Sophomore year, and the honors went to Ray Sapp, Mike Arquilla, Ed Coe, and "Wee" Meyer.

As Juniors we elected Ed Taylor, Mary Kaler, Mary Ann O'Bryan and Jean Cassell to be our class leaders. We bought our class rings and produced a really swanky Junior Senior Prom. We presented *Best Foot Forward* and discovered many talented actors and actresses.

Starting off our Senior year Kate Fravel and Jim Doughty were appointed editors of the "Jacket Journal" and "Forum" respectively. Bud Johnson captured the presidency of the class with Dick Bair, Jean Ansel, and Grace Motherall elected to support him. Many big dances were sponsored including the Choir Formal, G. R. Formal, Hi-Y Formal, the Junior Senior and of course the Senior Prom. The annual class play was presented and was an outstanding success. Our athletic record wasn't very good but the fellows were always fighting and quite a few good players were discovered. Mary Jane Kilroy was elected football Queen with Jane Yauger and Janet Seidal as her senior attendants. Mary Jane also reigned over the big Carnival Dance. Her Senior attendants were Jane Yauger, Kate Fravel, and Jacqueline Everhart.

All in all our class has been well represented in these past four years. We've lost some of our classmates in the shuffle but those of us who are still remaining will carry on the spirit of the class of '44.

Interview of the Year

Introducing

JOE BROWN was probably the smallest boy to enter the seventh grade this year. Joe didn't like to have his picture taken, said he used to run away when someone tried to take his picture. But we managed to get a few shots of him on his recent tour of the building and his interview with our most prominent students at Mt. V.

1. Well, gee whiz anyway—that's an aw-w-wful big building. I'd much rather go swimming in the creek but that's out so I'll wander in and see what's goin' on.

2. Hello—who's this guy. Oh, it's Dick Perkins—captain of the basketball team. Boy that's a nifty basketball there, but I'd trade it any day for a football.

3. Man-oh-Man look at the size of this guy. Well, I wanta grow some but this is kinda over-doing things wouldn't you say? What's your name? — Chuck Bryan — well, say, how about trading me a few inches of that, say five or six.

4. Hey—there's my man, Fuzz Franz, the football captain. Boy, ain't he somethin'! Gosh, when I grow up I wanta be like him. Yes sir.

5. They got me at a disadvantage here, that guy's not really not half as tall as he looks from where I am. Glad to meet you, Bud, especially since it's out here in the open air and not behind the student court bench. Haven't had any experience in that line yet — sure hope I don't.

6. O-o-o-o-o-oh would you look at that! Isn't she pretty. She's the best lookin't girl *I've* ever seen. Her Name is Mary Jane Kilroy — wonder what her telephone number is.

7. This guy must be Dick Bair, the President of the Hi-Y. I'll sure want to be in that when I get into high school. That's the most important boys' club in school.

8. Guess I'd never want to be the editor of the *Jacket Journal* like Kate Fravel is, 'cause I don't give a hang for English, but I don't mind in the least just sitting here and resting with Kate. She's the one I voted for in the *Forum* Queen Contest.

9. Now this is more like it —putting Jimmy Doughty on the lower step and letting me up in the world. There's a lot of things about this place I'm gonna like but I guess editing the Annual isn't one of them. Too much English again.

10. Where did this float come from and why the dark glasses? Oh — Paul Lynde, trying to look dignified. Maybe he'd lend me about 30 pounds, and that with the 5 or 6 inches I got from Chuck ought to fix me up.

11. With that fancy get-up, Jacqueline Everhart could only be one thing — the head drum major. How does she ever make that thing go around like that?

12. Well, well, guess I've made the rounds. It's quite a place, isn't it. Guess maybe after gettin' to meet all these people I won't mind it so much after all — I hope.

Afternoon Programs

From 1:00 to 3:14

We venture forth once more to tell you a few of the afternoon activities. We cautiously creep past the guards and peer into the various doors and windows. We watch and hear the Chapel Choir practicing for their evening concert and across the hall, we encounter the male employees catching up on their recreation. After wandering through the halls, we wind up in the auditorium watching a play cast go through their antics. We quietly steal away and reach the hall just in time to see the usual line of employees going to and from the main office. We finally descend the front stairs of the station just as the final bell rings. Within five minutes we are immersed in a dense crowd so we just move along with the rest. We finally end up at the local hangout where we go in and try to drown our hectic day with a short rootbeer.

"Art Hints"

The Art Department, under the direction of Miss Fern Lewis, has achieved its goal for the 1943 - 1944 school year by assisting in the war effort, aiding in Red Cross projects, co-operating with civic organizations and helping in school activities.

Members of the department have prepared murals and posters for the purpose of increasng War Bond and Stamp Sales among the students and promoting donations to the American Red Cross by local citizens.

All Art students are members of the Knox County Junior Red Cross, having made and presented to several Red Cross centers throughout the country 1400 articles, including wall decorations, utility bags, checker boards, writing portfolios, greeting cards, table favors, and nut cups.

The department has helped in civic activities by preparing the Knox County Fair Booth for the Women's Christian Temperance Union, program, chalk drawings for the entertainment of lodges, window displays for local florists, and posters for numerous city enterprises.

The advertising and photography branches have done the publicity and much of the photography for school activities, in addition to making seasonal murals and giving noon entertainments. Courses offered have been ceramics, interior decorating, plastics, wood working, oils, water-colors, chalk drawings, charcoals, pen and ink sketches, pastels, sign painting, designing, fashion designing, photography, art appreciation, and certain phases of mechanical drawing.

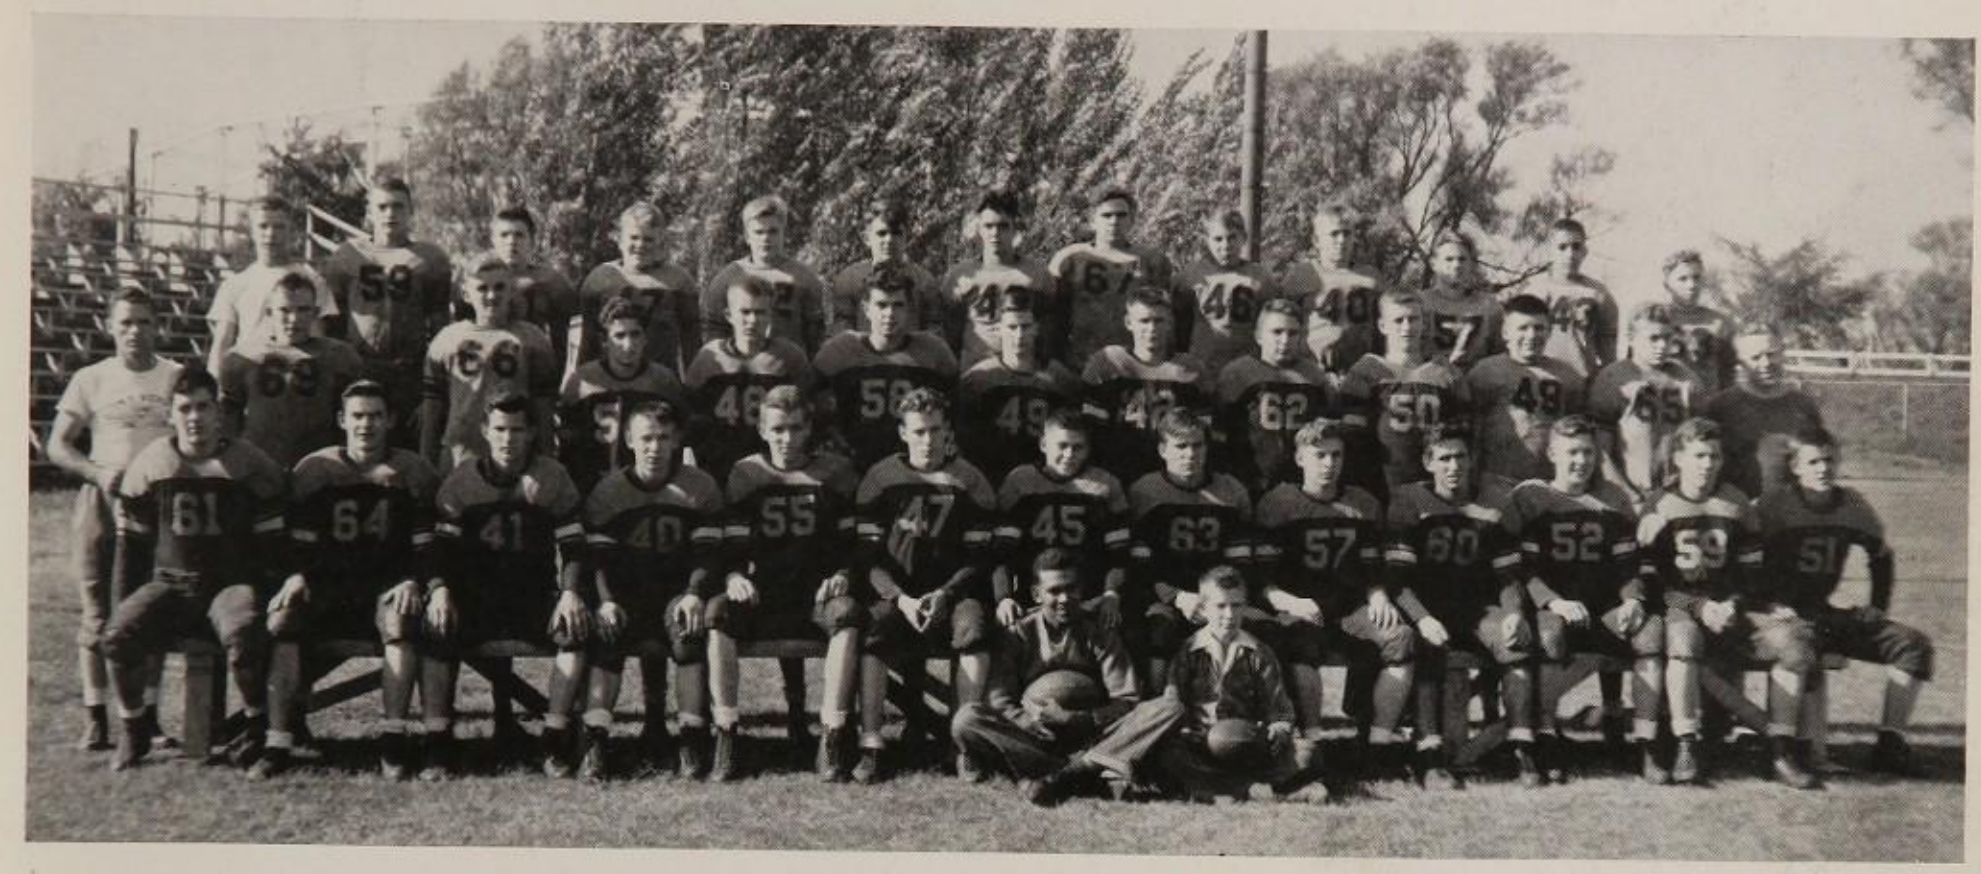
COACH

"Tommy" Thomas has been head football coach for the past five years at Mount Vernon. Tommy resigned as coach this year but will continue as physical education instructor.

ASSISTANT COACH

This was the first year for our new assistant coach, Guy VanNostrand. Guy was a former graduate of Mount Vernon and is teacher of American History. He puts the students through their paces whether they be in the classroom or on the gridiron. We hope Guy will stay with us during the coming years.

"Spotlight On Sports"



Review of 1943 Football Season

The '43 Yellow Jacket gridders lost all their nine games. The one bright spot in the dismal campaign was the stellar play of Bernard Lanning, Junior back. The Jackets got down to business, but business wasn't so good. Captain Bill Wilson, a guard, was called by Uncle Sam in midseason, and the already undermanned squad had one less member. Because of the shortage of substitutes, there were frequent injuries, and every Monday half a dozen players could be seen limping around. High point of the season was the Fredericktown game. Feeling was high between the two schools, and the Freddies were bringing down a great squad. A close game was the general prediction, but the Freddies gave the hapless Jackets a systematic drubbing. Oh well, there'll be another year.

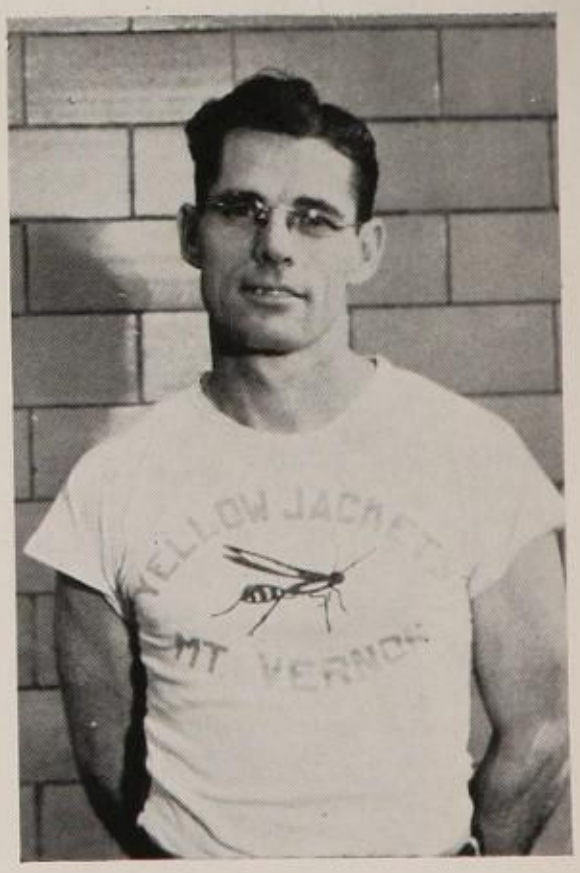
"Spotlight On Sports"

BASKETBALL COACH

This year was the second time that Mount Vernon Cagers have been coached by A. J. (Jack) Robeson. Jack was cage instructor from 1931 to 1934. This year the Jackets won only 5 out of 19 games. The record wasn't the best but only 3 seniors were lost by graduation, leaving a husky bunch of underclassmen to carry the ball down the court next season. Jack has been assistant football coach and biology teacher for quite a few years at M. T. V. Our best wishes go to next year's coach and team.

RESERVE COACH

This year's reserve basketball team, coached by Tommy Thomas, was really hot. They defeated the underclassmen of the Varsity in a benefit game for Harry Wright, Jr. The Junior Jackets, composed of all Freshmen and Sophomores, won 10 out of 15 games, and they will provide plenty of spark for the Varsities of coming years.



Basketball

Review of '43-'44 Basketball Season

This year's Yellow Jacket basketballers did very little better than the much abused Jacket gridders. All season the team ran hot and cold. There was some consolation, however, because Mt. Vernon won one NCO title — that of having the tallest player in the league. Charley Bryan was the boy. While the Varsity bucketballers were bouncing around through the schedule, "Tommy" Thomas' Junior Jackets were enjoying a successful season. "Tommy" had some good potential Varsity material on his squad and the boys proved it when they trimmed the Varsity underclassmen in the season's finale. Guy VanNostrand's Junior High team showed promise of brighter years for Mt. Vernon basketball in the future. At the end of the season school officials were looking for a new coach to replace Jack Robeson, who took the job on a one year basis to help out. With a new coach and the material at hand, the situation may be better next year.

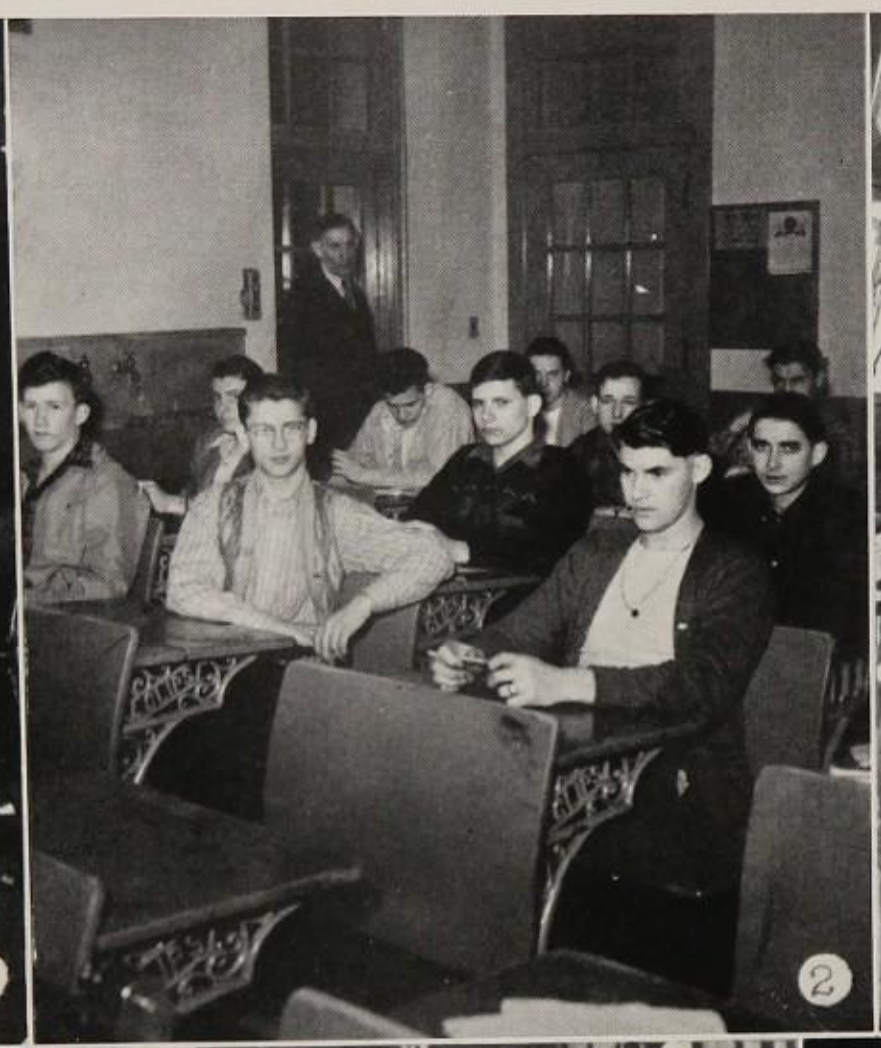
The Home Economics classes have done a splendid job this year. They have served many banquets and refreshments for parties despite the food rationing problem. The girls have also made several things for the school. A group of them made the piano cover for the new piano in the auditorium. Others helped in making the curtains for the Distributive Ed. class room. The girls have bought and paid for themselves many things that add to the value of the department.

In Home Economics the girls have joined the local chapter of the F. H. A. They have elected officers and have carried a full program throughout the year. The F. H. A. girls have sponsored a dance and entertained other F. H. A. chapters throughout the county. Many of the girls have received second and third degrees this year.

1. Giving and receiving. 2. Morning snacks. 3. Serious event. 4. Coke, the *new* way. 5. F. H. A. meets. 6. Another Home Ec. group. 7. Another one of those baby coke guzzlers.

"Vernon Steel Makers"



1. Brown and Frye.
2. A class in Math.
3. Coe, busy as usual
4. Hatton observes Mr. Knepper.
5. Condon, Hatton, Nugent.
6. Cole and Hulse.

Vocational Machinists

This is the last year the vocational machine shop course will be taught for the duration. The course was started in 1929 for boys interested in learning a trade. The Cooper-Bessemer Company of this city furnished a class room and a shop for the boys. With the heavy war production that the company is doing they need both rooms and the teacher, Mr. Knepper.

The boys had all their classes under Mr. Knepper except one English class under the direction of Miss Cannon. It was their plan to go right into a shop upon completion of their course, but now most of them are called to the armed service as soon as they graduate.

It is hoped that the course will be opened again at the close of the war, for most of the boys found it very beneficial.

DECEMBER

1 We were known as Quiz Kids until —— grade cards came out today?

6 Famous Quotations:
"Love is a feeling you feel when you feel you have that feeling you never felt before." —Dr. Edward A. Taylor.

7 Some Army Officers including a W.A.C. along with our own air cadets helped us to "Remember Pearl Harbor" in assembly today.

9 Ask Minnie what happened last night.

10 A riot was had by all at the "Vernon Varsity Vaudeville" thuse. The main attraction was Roselyn Banbury's version of "Pistol Packin' Mama."

13 "Oh, hurry up and give me one of those darn things." "What do you need one of them for anyhow."
"Well, everyone is sneezing, 'en I want a Kleenex before I get caught without — achoo — OO!"

14 Reception not clear in Sociology class. Miss Wright wonders about interference. It just couldn't be Harold Balo's asleep, again.

15 Our Second basketball game of the season. Everyone arrived at the dance dry instead of all wet (I meant from the snow.)

20 Monday — there is only one thing that ever happens today — you said it — the Working Corps!

21 After leaving that impressive *Hour of Charm* meeting, we had to write a note of congratulations to the Junior G. R's.

22 "You don't mean it! It's astonishing!! Only three days left!!!" "Hm! I can't believe it! My Xmas shopping is all done, how about yours?"

23 All the music students tripped a light fantastic at the annual formal. They sure did start their Xmas Holidays off with a bang! However, a few are going out with a W.A.C. Well cheerio!

Time Signal

JANUARY

1 Honk! Honk! Special blow out.

2 That was we, *"The Quiz Kids,"* celebrating New Year's Eve yesterday.

3 After conferring with *"The Board of Experts," "Superman"* (Mr. West) decided to let us *"Quiz Kids"* fill out our own time schedule for the next semester.

4 Mr. Owen, "The Lone Ranger," presented a short cowboy—oh! left out—movie for the noon spotlight performance.

6 Place: Home for the Aged — Time Signal: Evening. Grace Motherall, mistress of ceremonies, said, *"Ladies, be seated"* while the Girl Reserves present to you a short interlude of *"Sketches In Melody."*

11 Our *"Stradivari Orchestra"* played this afternoon for the Farm Credit Association. Harry Barncord, "Barney", was loaned a farm.

12 "Barney" prints his name on his barn on the farm, his *"Road of Life."*

13 *"The Voice of The Dairy Farmer" speaks, "Thanks* for patchin' my barn, Barney."

14 No more *"Mirth and Madness"* after seeing that movie on "Drunken Driving." Four seniors reviewed their pledge made January 1.

15 Saturday. "Perky" was not tardy today. *"That's a Good One."*

17 "What's cookin' ?" says you. "Well, it is no *"Bright Horizon,"* says we.

18 Conversation continues: "Cut off the *"Suspence,"* says you. "Exam," says we. :"Oh!" says you.

20 Morning — exams!
Afternoon — exams!
Evening — Won't say what we're thinkin'.

21 Exams! More *"Information, Please!"* No more space on our cuffs.

24 *"I Love A Mystery."* Forgot what we did with our new time schedule. Goes into effect today. Pardon the sound effects while we clean our lockers out.

26 Well! We made it today for the first morning broadcast with our switched schedules. However, we had to transcribe the data from *"Superman's" "Control Room."*

27 Some engineers join the hall circuit today. Everyone surprised! Have to get new signals (Slips to you).

28 We will now switch stations to the Library, where a new action is taking place. Paul Lynde is seen furiously reading "How To Win Friends and Influence People."

31 Eleanor Roosevelt arrived home today for husband's birthday.

Time Signal

FEBRUARY

1 Through *"The Open Door"* came *"The Sea Hound"* striding — striding — striding up and down the halls. After many a mysterious glance the boy in navy blue intercepted a fleeting attack by Irma Vandevelde. The Navy Dept. disclosed that *"The Sea Hound"* was one Dale Davy.

2 Are you the sound effect man at the table? Do you look like Raggedy Ann? Well! If you are, see that movie on "Charm and Personality." You will find that missing two periods is more than charming—in the dark.

4 Station M.T.V. intercepted the short waves from the Junoir Band at the two spirited thuses.

7 Notice to All Seniors. Has *"Mirth and Madness"* caused *"The Shadow"* (of doubt) to lurk over you? Then you are advised to consult *"Superman"* about your credits.

8 People? Only 1,300 saw the Frederick — M.T.V. game. As the German General staff would say, "We retreated according to plan." The Freddies got 32 points and one black eye to our 25 points.

Evening Programs

At approximately 7:30 a hush once more falls over the studio, and again we're on the air. As the static dies down, we hear an excited mass of people anxiously awaiting the sight of the *Forum Queen* and her attendants. In a whirl of color from the beautiful gowns and flowers, the queen ascends the steps to her throne. Turning the dial we change our station to "The Little Theater of the Air" where we hear several very interesting plays and musicals. We devote the rest of our evening to marching tempo of band music, the soothing strains of an orchestra, and other assorted programs.

As the clock strikes twelve, station M.T.V. signs off until next year, same time, and same station.

"News In Review"

Time Signal

9 Flash! The first ballots are being checked for electing the "Queen of the Air." Tune in Feb. 25 for *"Information Please."*

10 Our short wave still intercepts *"The Battle of the Sexes"* concerning the final decision about white caps and gowns.

11 That *"Grand Ole' Opry,"* "The Barber of Seville," has not been contacted as yet. All school scripts found unprepared.

16 We surely did learn about government today on that *"Farm and Home Hour"* program, by cracky!

Time Signal

17 Hank "Sherlock" Motherall flashed in the red signal about the hot waves sizzling from the new gym. Station M.T.V. went off the air for the afternoon program.

18 All the skirts are swapping news about the formal scheduled tomorrow night at the *"Stage Door Canteen."*

22 All stations were off the air for the nationwide celebration of George Washington's birthday.

24 Dr. Kallenbach in *"The Shadow"* of darkness spoke about *"The Guiding Light"* in assembly today.

Time Signal

25 Ballots poured into the reception room of Studio M.T.V. for the final results. "The Queen of the Air" is Miss Mary Jane Kilroy.

27 "The Church of the Air" was honored by the attendance of the Girl Reserves.

28 The Junior actors tried out today for "The Street Car in Attic."

29 Don't look now, but we have *"Hot Copy"* sizzling on the wires. This is the official date *"When a Girl Marries."*

Time Signal

MARCH

1 *"These are made that we might live,"* said Major Mellen in a "Present Arms" assembly. Dow Ayers, Station M.T.V.'s gun expert, finally broke down and asked a question.

2 There will be a "Hot Time in the Old Home Soon" when the kiddies drag home those little white cards—this ends the six weeks, you know!

3 "When It's Garbage Time" was the Number One hit at the Sadie Hawkins, thrown by the Girl Reserves. The stores later notified the public that due to the "National Barn Dance" there would be a shortage of overalls, plaid shirts, clodhoppers and — vegetables. Oh, by the way, George McKee was the farmer behind the fruit corsage.

6 Weather Forecast: Despite heavy rains today the Junior High was able to present an assembly program— and it wasn't a bit drippy.

7 Bright signals flashing from the Art Department announced their presentation of the Variety Show, "Radio's *Hall of Fame,"* this noon. Featuring none other than "Swooner Crooner Sinatra."

8 The Athletic Banquet is being held tonight with each plate selling at $50.00. Collection of this huge sum of money will be used to purchase a new secret vitamin pill for next year's team. *"Correction Please"* to yesterday's announcement. The crooner's name was not Sinatra but Ken Reeder. We did not attend the show, but we heard the program and assumed that it was Frankie's voice. Our apologies to Mr. Reeder.

9 A benefit basketball game for Harry Wright was this afternoon in the new gym. A small crowd was expected because classes were in session and only a few could afford the 10c fee for admission. Boy were we fooled.

13 Action - Camera - Um, boy! Does Andy Mavromates have a slick job snapping the Queen and her Court in their *"Waltz Time"* dresses. (For further information see the calendar staff's little green book.)

14 *"Foreign Assignment"* of our newly organized International Relations Club is a plan for a new world order. However, *"The World Today"* is difficult to change. The latest bulletin notifies us that in two more days they will have reached a conclusion.

15 Ah, we see mirages of tall tinkling glasses filled with icy drinks and ice cream treats floating around, while sweating out the day among station M.T.V.'s prison walls.

16 *"Mutual Goes Calling"* from station M.T.V. and honors the new members of the Quill and Scroll Society. While visiting the station Mutual peeked in *"The Open Door"* and heard the following measurements for Senior Caps and Gowns: Paul Lynde—"Mr. Five by Five," Pat Freshour—"Just a Little Bit of Heaven," and Charles Bryan—"High on a Windy Hill."

17 What those Crystal Bowl Gazers' (prophecy committee) see about the seniors in the future! Speaking of the future the International Relations Club is stuck with their Post-War Plans on "Child Delinquency."

20 *"The Lions Roar"* as the Working Corps caged two unusual violators under the Mt. Vernon Wastepaper and Pencil Mark Act.

21 We're not stretching things a bit when we announce that the Civics and other classes were shown an amazing movie about rubber.

22 If termites are destroying your property, the Intramural basketball teams will advise you to move. This decision was reached when the local termite team became champs and appeared before the cameras.

23 Since the Crystal Bowl Gazers needed some inspiration, they met at the Fravel estate in *"Green Valley"* under a *"Bright Horizon."*

24 At the *"Theater of the Air"* we look in on the Juniors this evening. We find them in the "Street Car In the Attic" while a full house is waiting to receive them below.

27 Warning to all locker owners: "You won't be sorry if you pack all your junk in your old kit bag—and pronto! It has been rumored there is a locker inspection today.

28 *What's Cookin'?* Why the *"Helpmate"* in each local store is taking his boss to the Distributive Education Banquet. *Did you know* that Miss Shirley Fogle, local soda jerk, received a corsage from "a friend."

29 Can they dish it out? What mimics! The faculty surely did show us *"Quiz Kids"* were no *"Classic in Wax"* in the Girl Reserve assembly today.

30 Going once! Going twice! Hurry up! This is your last chance, not to answer those $64. questions, but to see Tommy Dorsey at the Palace and receive a reward of 3,000 minutes from the office. All contestants are asked to come to room 29 after school.

31 Even though the camoflague was excellent, we were able to get in behind the lines in time to see the Hi-Y formal in full swing to the Mello-Tone Orchestra.

APRIL

1 "Was it worth it?" asked many fools concerning the March 30 contest. Gee, *"People Are Funny."*

2 *"Did you know"* that today was the beginning of one Dick Davy into the world. However, time marches on and he is now a member of the "Hall of Fame" (Senior Class to you Greenies!)

"News In Review"

Time Signal

3 "You Can't Take It With You." Yes, Sir! That's the latest headline tuned in from the *"Mystery Theater"* concerning the Senior play.

4 Today the *"Hour of Charm"* became *"Radio Chapel"* when the Sophomores were in charge of the service.

5 Now, be honest. Do you stir your cocoa with your right or left hand? We would advise a spoon, but not one made from Wood's metal. Our chemists (local talent) discovered they melt.

6 *"The Voice of Religion"* spoke from our *"Radio Pulpit"* on our *"Easter Program."*

7 *"Bright Horizons"* awaited us *"Quiz Kids"* at the beginning of Spring vacation.

9 *"We, the People"* entered the *"Easter Parade"* amid the cloudbursts.

10 Although off the air, "The Man On the Corner" noticed a chorus resembling the *"Gay Nineties Revue"* practicing for the big broadcast of the year, the "Forum Frolic."

11 Today we auctioned off clothespins — *"Ceiling Unlimited."* Why? Gwen Jones, an up and drooping scientist, let loose of a test tube containing an acid, which — smells. All skunks migrated to Kentucky.

12 "I Am An American," said Louis Lytton. This noted actor gave a ringing interlude of drama with enthusiastic approval in assembly.

13 *"Did you know"* that the fifth six weeks ends tomorrow? Notice to all laggers: *"Counterspy"* Ed Taylor is now operating a *"Helpmate"* market containing volumes of book reports.

14 *"Here's To Romance!"* The Hi-Y celebrated the end of cramming with a hay ride under *"Blue Horizons."*

16 Imagine that! Now it is two that entered our world. Since this happened eighteen years ago, the Office of War Information disclosed that their name was Everhart.

17 *"Words and Music"* reached us through *"The Open Door"* of *"Basin Street"* signaling that the *"Radio Warblers"* are on the air tomorrow night.

18 Our *"Singing Club"* presented *"Songs of Praise"* on the evening *"Melody Time"* in the auditorium.

19 The Hi-Y assembly was terrific in an historical way. Need we say anymore!

20 Station M.T.V. was on the blink today because the engineers for the "Forum Frolic" were switching locations to set up the apparatus for the big broadcast.

21 This is your local announcers bringing to you the *"Hit Parade"* of the year. One of the attendants has just crowned "The Queen of the Air." The lights are low and the jester announces the "Forum Frolic" entertainers. Pause — for enjoyment, and the Queen leads her court to the dance floor, for the grand finale. This concludes the evening broadcast, so "Let's Dance."

24 *"Listen-Women"* you have exactly four days left to hook a man for the Girl Reserve spring formal. Gas coupons are good bait.

25 *"Don't Tell a Soul"* but it has been rumored that the Dramatics class will entertain the Junior High in assembly today.

27 Did you swallow your chewing gum? Well! whatever is there will show up when your chest is X-rayed by the traveling unit from the State Department of Health. Even *"Superman"* and his co-leaders will be photographed. All statistics will be sent to your local doctor. Quiet! We desire to hear those strains of *"Familiar Music"* being intercepted by our *"Stradivari Orchestra"* and *"Spotlight Band."*

27 The future Seniors scraped all the data for this issue of the "Snoop Script." Don't tell us there is a "Man On the Corner, Jr.!"

28 "It's all Dutch to us," said the escorts. Were they fooled when it actually was a Dutch Affair at the G. R. spring formal.

MAY

1 This is election month. Did you cast your ballot for the new officers of the Student Council? This is one election that won't be stuffed.

2 *"The Hour of Charm"* has been flashing in results of the election of officers, but no final tally has been received.

3 A May *"Musicana"* was broadcast from the *"Theater of the Air"* to the Junior High.

4 The chairman of the Sr. Play Committee announced today that the best possible production would be "The Man Who Came To Dinner". Someone informed Mr. Lynde that the Senior play is scheduled for tomorrow.

5 Did you say *"People Are Funny?"* We didn't believe you till we saw "You Can't Take It With You." What a family!

8 All those campaign speeches were for the Hi-Y election of officers today. A special committee was appointed to stuff the box.

9 "Attention! Will the *"Ladies, be Seated,"* said the toastmistress at the annual Mother-Daughter Banquet of the *"Hour of Charm."*

10 The top *"Quiz Kids"* of the *"Hall of Fame"* (senior class) were taken into The National Honor Society today.

11 Now I start me out to work
Determined a little not to shirk
But if I don't do things I ought
I pray the Lord I won't get caught.

12 "Well',, said Mr. Lydne, "I believe that I am better suited to the part of *"The Thin Man"* in "The Man Who Came To Dinner."'

15 Here is a timely little Spring item:
The Hour is growing l-eight
Still Jim and K-eight
Hung on the g-eight
Say, Jim, my dear, I really h-eight

Class Prophecy

In bringing you the Prophecy of the Class of 1944, the committee would like you to picture a typical day in the home of a typical American family. The members are listening to the radio programs of the day as they perform their various duties. As all the programs do not please all people, the programs will be subject to changes at various intervals.

"This is Dave Masteller beginning the day's broadcast at Station M.T.V. on June 1, 1954. The initial program of the day will be *Wake up and Live,* but preceding that will be a brief transcription."

"A steaming plateful of *Hedges' Hot Cakes* is just the thing to start a successful day. Why don't *you* try some this very morning?"

"A happy good morning" to all you sleepy people. This is Ed Coe, pinch-hitting for your usual morning messenger, Harold Balo. We have some transcribed music for waking you up this cheery morning, but first, we have a letter from "Wee" Meiers, meat packing magnet, and it says, quote, "Dear Sir: Because of your inspiring program, the production of our plant has increased two-fold since the following employees have come to work on time and have been in the best co-operative mood: Jane Clark—head janitress, Bob Wilson—meat packer extraordinaire, Ken Reeder—head janitor, Margaret and Martha Ewart—dieticians, Naomi Smith—window-washer, and Maxine McKinstrey—chief butcher." It is signed by June Auskings, secretary to the president, and we of this program, thank them very much for their cheering message. This morning our exercises will be given to you by Martha Harris, leading football coach at Notre Dame, and Carlotta Van Hook who recently won a National Jitterbug Contest. This will take place immediately after a recording of Rene Mondron's Modernaires, playing "Pistol-Packing Papa" a new song hit by Christine Johnson.

(Push-Button.)

"—and for a bombastic day, may we suggest Banbury's Bubbling Broth before breakfast, brewed by your own Roselyn Banbury."

"Is everybody hungry? This is Max Talbott coming to you from the fashionable down-town restaurant "Buckeye Grove," owned by Miss Marilyn Surlas, bringing you our morning program, "*Breakfast at Sadie's.*" This is the gala reopening after a recent redecoration by Pat Freshour. Our first table of guests consists of a group of army and navy nurses. Most of them are from Mt. Vernon, Ohio and are here in New York meeting Jean Bowsher who has just returned from missionary work in China. Let's have a big hand for Misses Pauline Reed, Mildred McIntire, Grace Motherall, Mary Louise Sharp, Grace Sapp, Janet Seidel, and Emma Rose Simmons, who won the Distinguished Service Cross. At another table back in the far corner are the famous ex-fighter pilots who are working now to advance air travel to the American public. They are: Bud Condon, Dick Bair, Tom Reasoner, and Jacques Everhart with the vivacious Powers' models Jane Mahone, Mary Benson, Betty Gill and Jean Cassell. Now for that musical number you've all been waiting for by our own Sarah Hammond and her Boogy-woogie Hepcats featuring Bill Sherman on the trumpet."

report that Jane Yauger has at last won first prize for her pure-blooded Jersey cow. Jane entered her cow in the Carnation Contented Pet Cow Program last week. Doberman Pinscher Kuddly Kennels, owned by dog-breeder Paul Lynde, has won the international championship. This is Mr. Lynde's hobby, since his true profession is the legitimate stage. Baby chick raisers will be glad to hear that Violet Schnitzer and Evelyn Shira are now operating a chicken farm called, "Where the Old Hens Roost". Now, farm friends and families — Dale Martin will give the daily market and grain quotations which will be followed by a speech from the Secretary of Agriculture, Phyllis Shultz, who will tell us about the need for conserving on horse meat. Now for the grain quotations. "Wheat — one and three-eights; oats—one and five-sixths ————————."

"Station M.T.V. on the Orange and Black network presents your luncheon melodies from Heckler's Hot Spot, five miles out of town on Sunset Boulevard. *"Luncheon with Lantz"* is featuring this noon Miss Keppy Kepple on the vocals and Bob Stelts with his hot trumpet. We are honoring some of the Navy personnel from Mt. Vernon who are here at the hotel this afternoon: Phil Norrick, Fritz Schnitzer, Don Leonard, and Ken Van Aman. This first number will be Naomi Curran, playing "Sunrise on the Kokosing," an original composition ————————."

(Pant-pant-pant) "This is Jackie Ballman, one and only reporter of *Ballman's Scandal Sheet* which is sponsored by Betty Burger's Burger Shop." (Pant-pant).

"First on my list I see an item saying that Evelyn Pierce, dean of Women at Bangs' Technology Co-ed School confirmed today the report that Charlene Welker, professor of Neckology, eloped with professor Henry Tharp, head of the Farm Experiment Station.

"Also of news to students around the Bangs College Campus is the recent announcement that the Reverend Peter Amann, minister of the Bangs Cathedral is opening a new class to interest his congregation in the Holy Rollers Society.

"Thin women will be glad to hear that Sally Worley, the thinnest woman in the United States, is now trying to gain weight. She has made public the meat content of her daily diet, which is Scholl's Slippery Slivers of Liver. Miss Virginia Scholl perfected this dainty dish after years of research spent in the kitchen of The Dan Emmett Grill.

"Playboy Ed Taylor has decided that a life of leisure is rather boring and is returning to Mount Vernon, Ohio to manage the paper gang at the Pittsburgh Plate.

"Marge Ferrell, who for the past ten years has been playing the part of Ma Perkins on the radio is leaving the air to take up the role in real life.

"Betty Koontz has told us privately that she contributes her talking ability to Prune Juice — maybe bashful people should try it.

"Red Hoagland and Ray Sapp have been appointed governors of Antarctica and Little America by the President of the United States, that old baseball fiend, Lowayne Johnson.

"To conclude this sheet, we hear that Mildred Hickerson is still struggling through high school, and that Ed Williams has discovered a new wave-set for unruly hair."

" The correct Wiseman Watch Time is now 7:00 P.M."

"Tonight we have a very eminent group of contestants for our "Wrong Answers, Please" program. They are: Mr. William Fraser, society editor of the Brandon Sentinel, owned by Bill Curran; Mr. Don Cochran, Senator from Kentucky; Miss Mary Ann O'Byran, well-known equestrienne, and author of the best seller, "The Old Gray Mare"; and Miss Laverne Peterson, contralto singer from Broadway. Mr. Floyd Walker, eminent lecturer will be master of ceremonies for tonight; but before he begins the questioning let us hear a word from Ferguson's 57 Frankfurters, those snazzy snacks for Sunday suppers.

"To begin, the first question has been sent in by Shirley Puckett, designer of Dot Durieux's Dancing Dolls, and asks, 'What is the real name of Baby Squeezix on the Fogle Fruit Fantasy Program?'—Sorry I knocked you out on that one. It is none other than Margilaine "Eyefull" Hall. Now it's your turn, Senator Cochran.

"Who wrote that notorious novel, "Principally Peeping?" Did I hear you say Ruth Taylor — if you did, you are quite right ————————."

(Push-Button).

"This is Major Harry Rine coming to you from "Ye Olde Towne Hall" presenting your weekly Ansel's Amateur Show, originated by Jean and Arthur Ansel. Eileen Radabaugh, your favorite feminine announcer, will first bring you a word from our sponsors Pharis, Pryor, and Peiffer's pickled peppers (not to be confused with Purdy's picked pickled pickerel.) "These peppers put the spice into Eggert's Evaporated Egg Salad Sandwiches. Miss Maxine Houck, dietician for the National Association of Corner Drug Store Soda Fountains, not long ago made the statement that these sandwiches were out-selling all other kinds. No other pepper can make that statement."

"We have a most interesting group of contestants for our show this evening. To begin we shall hear Handley, Hendershot, Huggins, and Hissong with their Heavenly Harmonies Quartet . . . Good Luck, girls. Following this selection, ballerina "Betite" Monk will dance to Dick Frye's arrangement of "Turn on the Heat," that swing tune that is sweeping the country. For a conclusion, another dancer, Miss Janet Fairchild will tap dance with Thiel's Twinkling Taps on her toes. She will be accompanied on the zylophone by Ed Zink. Remember, people of the studio audience, our applause will determine the winner of tonight's prize. So, ladies and gentlemen, on with the show ————————."

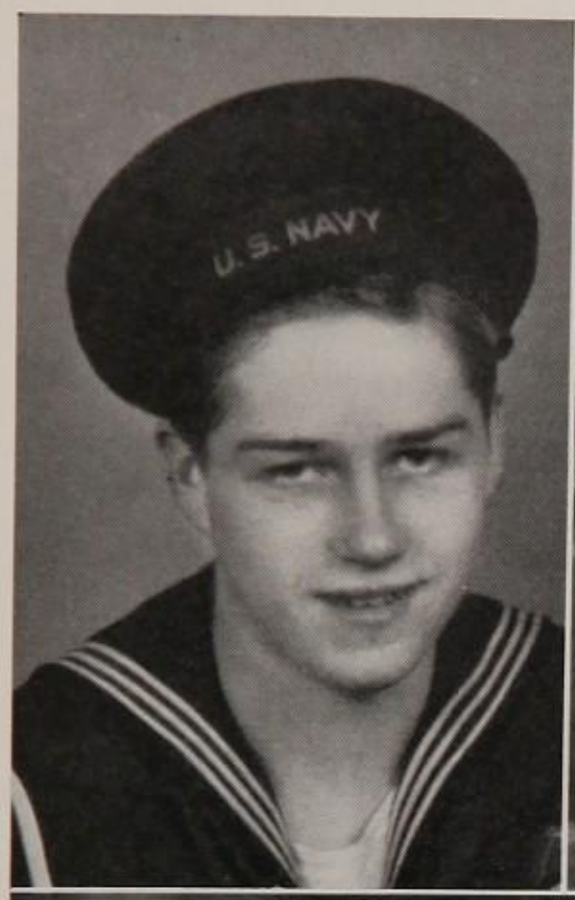
"Gang Busters"



One Hundred and Ten Years Young!

As Cooper-Bessemer passes this important milestone in its second hundred years, our energies are focussed on two all-important objectives:

1. Now we are concentrating 100% on war production—building diesel and gas engines, compressors, and foundry products, to help win the war as soon as possible.
2. We are preparing, after Victory, to manufacture improved power equipment of several types—to meet a peacetime demand for efficient, low-cost horsepower which promises to be the biggest we have seen in our 110-year history.

This is the fifth American war in which Cooper-Bessemer has had a share in the winning. For the fifth time, also, an all-out war experience has made us young. It will assist us to serve America all the better, for post-war reconstruction and peacetime prosperity.

To part from you, but such
is f-eight,
But sure we have another
d-eight,
Their arms entwine, they
oscul-eight,
They say goodnight and
separ-eight.

17 Boy! Did the Seniors ever cook your goose when they read the will. Of course the prophecy made some people squirm from the heat of the day.

18 *"Saludos Amigos,"* says Senorita Michael, *"Did you Remember* — that Spanish notebooks are due next week?"

19 Lights Out! Heh! Heh! The Wolf knows best! However, *"Superman"* turned them on again at the Junior-Senior Prom.

22 Today Bob McDevitt congested the air waves with his corny puns. Be careful Bob, the teachers announce the escapers from the final exams tomorrow.

23 Cloudy day. Reception not good when exam data was intercepted from the — they used to be good eggs, too.

24 I thought I knew it all
But now I must confess
The more I know I know I
know
I know I know the less.

25 Ugh! Was that chemistry exam a horroculture?

26 *"Suspense"* — Those exams are either *"Double or Nothing."*

28 *"Radio Church"* was held from coast to coast for the yearwide Baccalaureate.

29 Today the *Meditation Board* decided the question: "To be or not to be — a graduate."

30 We joined the *"Bandwagon"* for the Memorial Day Parade.

31 Teachers may come
And teachers may go
But I go on forever — and
tomorrow is commencement.
